

The Sandy Hook Foundation is the Official Friends Group of the National Park Service at Sandy Hook. It supports the park in many ways including the preservation of the historic Sandy Hook Lighthouse and Its Keeper's Quarters, one of the state's and the nation's most recognizable icons.

The American Littoral Society empowers people to care for the coast through advocacy, conservation, and education. Since 1961, the Littoral Society has worked to restore New Jersey's coast and wetlands and returned them to healthy, resilient habitats.
